

Seeing Lewis & Clark develop from conception to construction was a labor of love for Red and a mission he fought hard to achieve. He has worked tirelessly on behalf of the project, serving as the vice chairman of the board beginning in 1994, until becoming the board chairman in 2006, a position he still holds. Under Red's leadership, over \$470 million in funding was directed to Lewis & Clark, and over 200 miles of pipeline have been laid in the ground that currently deliver much-needed water to 14 member communities and rural water projects, reaching over 300,000 people across South Dakota, Minnesota, and Iowa.

In May 2016, Luverne, MN, was finally able to celebrate its connection to Lewis & Clark, with Red reveling in taking the first swig of water. It was at this ceremony that the meter building in Luverne was dedicated in Red's honor. Red will be the first to acknowledge that this endeavor, benefiting generations to come in the tristate area, was a team effort. There is no question Red's vision for the future, as well as his dedication and strong leadership have been a driving force through the years. That is why he was a recipient in 2012 of the Lewis & Clark Trailblazer Award, which is the organization's highest honor.

I am grateful for his commitment to public service, his hard work on behalf of Lewis & Clark, and, more importantly, I am proud to call him a friend. I commend Red Arndt for his many great contributions to Lewis & Clark, the community of Luverne, and the entire State of Minnesota.

Thank you.●

REMEMBERING BRUCE MACINTYRE

● Mr. TESTER. Mr. President, today I wish to honor the memory of a great Montanan who left his mark on countless lives.

Bruce MacIntyre devoted his life to the betterment of Billings, MT. Bruce's service to his community started at his father's car dealership. After returning from the University of Notre Dame, Bruce took over the family business, successfully running it with integrity and passion.

It didn't take long for Bruce to expand his horizons by serving in community leadership positions. He eventually sold the dealership to devote his time to others. Bruce quickly began consulting for businesses around Billings, helping them evolve and grow, creating jobs and opportunities along the way.

Bruce eventually joined the Billings Chamber of Commerce as director of government affairs, fostering relationships between businesses and local officials to expand the economy and establish lifelong connections. Bruce was well-known in Billings and across the State as a humble, generous mentor who always had time to give advice or lend a hand or even simply to listen to someone who needed it.

His other passion was ensuring students got a quality education. Bruce was instrumental in passing numerous levies to benefit students and teachers, and in 2017, he was elected to serve as a trustee for Billings SD2, where he lent his insight and expertise to creating a better future for all students.

I rise to remember this great man, who selflessly dedicated his life to his community. Montana is a better place because of Bruce.●
